The treasurer's report wasn't presented. Bee was not in attendance. The report will be presented at the next Rep Council Meeting.

Negotiations

There has been no change. The next meeting will be held August 23, 2017.

Arbitration

There are ongoing arbitration cases.

- Years of service
- Nicolet transfers
- Payment for moving

The district expressed an interest in settling without arbitration. There will be more information after the next board meeting. The CTA will pay half our arbitration cost and the attorney fees.

Organizing Committee

Lisa and Christine will lead the organizing committee. They have bids for polo shirts. Christine will send out design ideas to the rep council. We can use some of the CTA grant money for the shirts. Bowling night should be scheduled as soon as we hear back from the bowling alley.

New Reps

Laura G resigned as Central rep. Kandace has decided not to serve. As a result, Central must have an election and replace their rep. We need to make sure all other sites have their reps.

Grievance Committee

There are no grievances at this time.

PAC

PAC members are Michael, Anita, Robert Walden, and LuAnn. The committee held interviews of potential school board candidates. The BTA will endorse Jason Smith in District #5, and Anne Price in District #1.

New Business

Ashley mentioned that new teachers are required to go through CTI. They can't get their credential cleared without going through the program. CTI is a stipend position. Members are concerned that without this stipend position, we will be hurting our own new teachers. Dimitra made a motion to support the CTI stipend position. Jan seconded the motion. The motion carried with a vote of 7 yes and 4 no.

Stagecoach Days Parade was discussed. BTA recommends that we do not participate in the parade to be held on Sept. 9, 2017.

Meeting adjourned at 5:00 PM
